## MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with Representatives Chappell and McDade  
(with Director Webster and Deputy Director Gates -- 4 June 87)

1. The meeting was essentially a courtesy call, with the DCI indicating his view of the value of periodic get togethers for fifteen to twenty minutes (or whatever is required) just to touch base and surface any problems that ought to be dealt with at that level. The Chairman and Mr. McDade were extremely gracious and eager to meet periodically. In fact, the Chairman indicated every two or three weeks, or as we thought necessary.

4. In addition, the Chairman indicated that as they go into markup, if we have concerns or problems to let him know as early as possible and not wait until the last minute. (In this connection, [ ] and Childs should indicate to me if we have problems with the markup and whether the Judge or I should make a telephone call.) [ ]

5. The meeting lasted about 30 minutes and was quite cordial. In a couple of weeks, OCA should set up through Don Richberg a subsequent meeting, probably the week of June 29 unless there are developments that require an earlier session. [ ]
